

Delivering on our vision: Implementation

Spiritual life

- How do we evolve our worship?
- How do we provide opportunities for learning?
- How do we make services more accessible?
- How best could we nurture and grow our faith as a church community?

Community

- How do our buildings support our mission? What works well?
- How might we make the church building easier to use for community and church events? What benefits would arise?
- What more should we offer existing churchgoers and the wider community?
- Fabric, events, access...

Growth

- How do we ensure our financial viability?
- How do we grow our numbers?
- How do we ensure our numbers reflect the diversity of the parish?
